Thank you for your recent submission of paperwork for reaccreditation with the scheme. This flock has now satisfied the conditions for accredited status as defined in the Ovine Brucellosis Accreditation Scheme Operational Guidelines and a current certificate is enclosed.

Accredited status is valid until 16/04/2024 and retains the registration number 665 provided all the conditions of the operational guidelines are maintained.

To re-accredit the flock

It will be necessary for you to arrange for the retesting of the flock before the above date to maintain the accredited status. Please advise any change of postal or email address to ensure you receive reminder notices.

Yours faithfully,
