Dear Ms Mann

OVINE BRUCELLOSIS-FREE (RAM FLOCK) ACCREDITATION SCHEME

Following a property inspection conducted on 19 June 2023 at your recently purchased property at 365 Eleven Mile Road, Cora Lynn, this letter confirms that this property is suitable for OB accreditation purposes. Please find attached an invoice which includes \$251 for this property inspection.

With reference to the testing of your ram flock carried out on 31 May 2023, please be advised that your flock has passed the accreditation testing requirements and so continues to fulfil the conditions of the Ovine Brucellosis Accreditation Scheme.

Your next test will fall due in **June 2025**. All rams on the properties over the age of twelve months (including teasers) which you have used or are intending to use should be tested. If you wish to vary the time of this test, please contact me.

I remind you of the conditions of the signed accreditation agreement, especially (1) that any rams introduced from non-accredited flocks should be isolated and tested twice over 60 days, and also (2) that your accredited rams must not run on a property that has not been inspected and approved for accreditation purposes. Most accreditation failures involve one of these two issues.

If you have any questions about the accreditation scheme, please contact your District Veterinary Officer Dr Emily Dunham on 0409 375 525, or me on 0439 037 434.

Yours sincerely

DR KATE ROWE
